

You will need:

Main Fabric - Cut one 6 ¾"W x 4½"

Contrast Lining Fabric - Cut one 6 ¾"W x 5 ⅜"

1 - ¼" Wide satin ribbon cut to a 7" Length

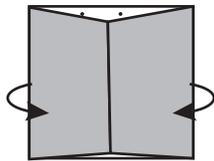

Matching Thread

Embroidery of your choice

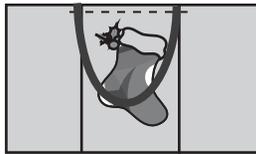

No larger than 3"W x 3½"L

Step One: Download the free embroidery and mark the embroidery placement lines and stitch the appliqué.

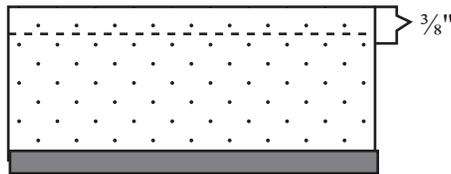

Step Two: For both the lining and the main fabric Mark the center notch. On the main fabric mark the fold lines along the bottom and the top edge. Fold each edge to the wrong side along the fold lines & press.

Step Three: On the right side of the main fabric butt each end of the ribbon to the left of your pressed fold lines. Stitch Across.

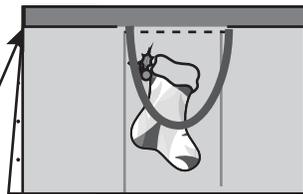

Step Four: Position the contrast lining to the main fabric right sides together and even with the top edge. Stitch Across the top using a ⅜" seam allowance.

Step Five: Open the lining and the main fabric and press the seam allowances facing up. Flip the lining to the back of the main fabric with right sides together. Bottom edges should be even. Adjust the top contrast edge to an even ⅜".

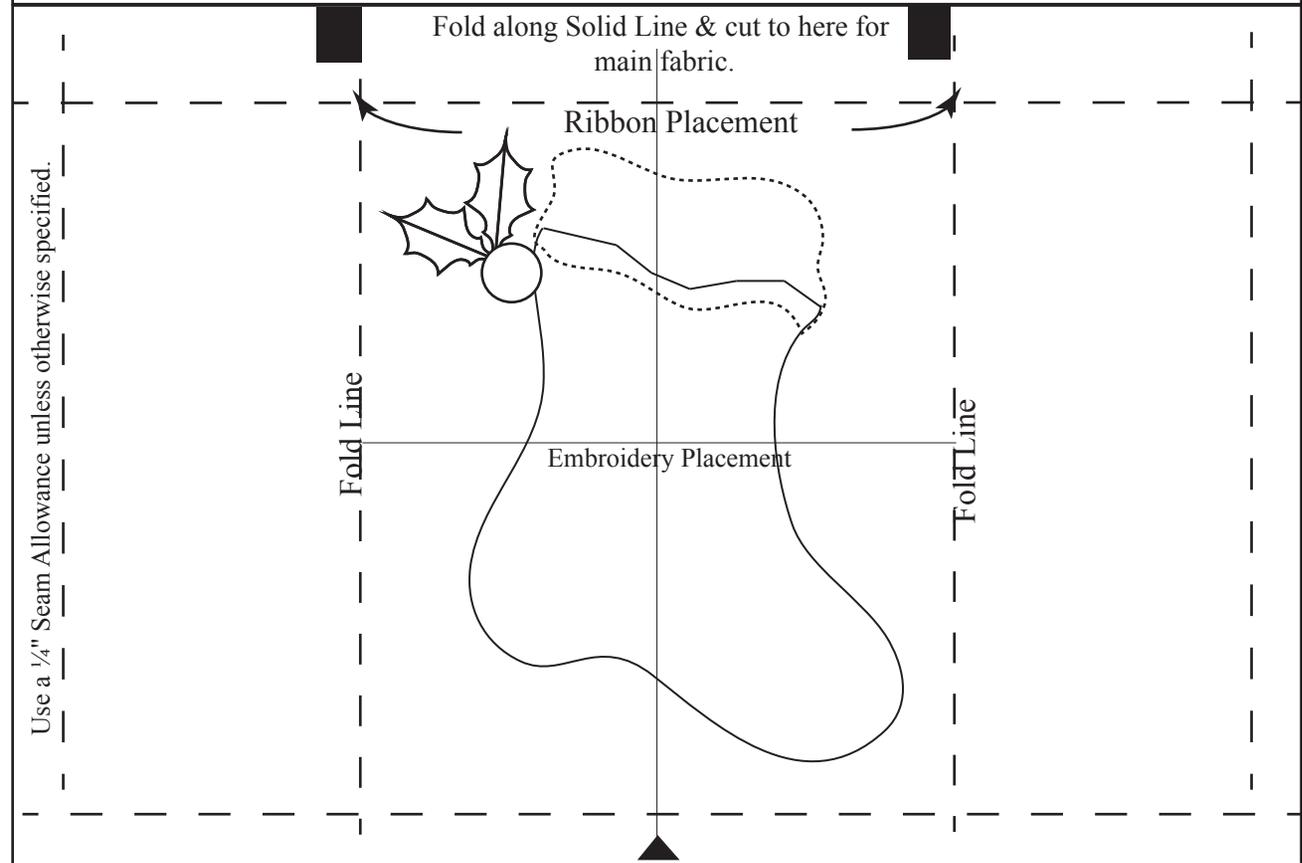

Step Five: Stitch in the ditch between the fold lines long the center front.

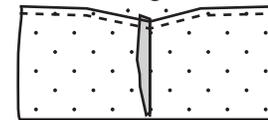

On the contrast side of the lining fold under to the wrong side a ¼" hem. Unfold the hem for the next step.

Cut Here For Contrast Lining

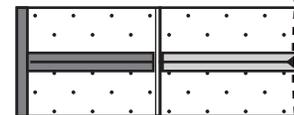

Gift Card Holder by Debbie Quinn©2012

Step Six: Unfold the contrast lining and position the side seams of the lining and the main fabric right sides together forming a tube. Stitch using a ¼" seam allowance. Press the seam open.

Step Seven: Refold the hem of the contrast lining into its pressed position. Match the center notch of the main fabric front to the center of the seam right sides together and stitch across.

Step Eight: Turn the gift bag to the right side through the opened lining. Push out the corners gently with a point turner. Press.

Align the folded edges of the lining together and stitch across. Tuck the lining into the bag adjusting the contrast edge and press. Your done. Enjoy!
